969 ORBIT DEDICATED TO PAUL CEDERSTROM

The Orbit staff and the Class of '69 pay special tribute to Mr. Paul Cederstrom in dedicating this yearbook to him.

Mr. Cederstrom, we're proud to dedicate this record of our high school years to you. As an English teacher and class adviser, you have helped and directed us; as a trusted and well-respected friend, you have listened to our problems and assisted in solving them. This class has come a long way with your guidance. You've guided us as a coach in football and bowling and cheered along with us as a front row spectator in other sports. Your interest in us has been continuous; your presence felt in success and failure.

The long hours and hard work you put into school and community projects are evident. When a successful Junior Prom culminated years (it sometimes seemed like centuries) of money-making ventures, we realized the effort that you and our other class advisers had put forth. We are proud of your active participation in civic affairs. As Director of the Recreation Commission you successfully organize and plan activities for the youth of our community, and you devote many hours to church activities.

For all these and all the "little" things which mean so much to us but are too numerous to mention, we dedicate the 1969 Orbit to you and hope it expresses our appreciation.

AND ALL THE THINGS THAT HAVE BEEN PART

The giant football posters which adorned QHS halls last fall were the work of some of the senior girls - but then weren't we always civic-minded?

lthough we never quite topped our performance of "The Butterfly Queen" ...

our interest in the fine arts has remained with us throughout high school.

BUT THE SPARTAN FUTURE LOOKS BRIGHT

Dan Danahy pulls in a long one for a touchdown.

The Queensbury Spartans under new head coach Bob Ryan, compiled one of the best records since Queensbury has participated in the Northern Conference. After two weeks of punishing practice, the Spartans traveled to Granville to upend the Horde 32 - 0. The following Saturday Corinth invaded Queensbury, and again the Spartans came out the victors with a 21 - 0 win.

The Spartans then entered league play. Three consecutive losses shocked their fans - a surprising loss to Saratoga 14 - 0, a hard fought loss to St. Mary's, and a disappointing loss to Hudson Falls 29 - 6. The fourth league game brought glory for Queensbury. The Spartans bounced back and defeated South High 37 - 6, with a show of offensive punch and defensive stability. In the final game of the season the Spartans were set back 34 - 0 at the hands of Glens Falls to close out the season with 3 wins and 4 losses.

With graduation Coach Ryan will lose twenty seniors, thirteen of them starters this year. This will hurt next year's lineup, but with new system, new coach, and new Spartan spirit established this year, the gridiron teams of next year and the years to come should have a very bright future.

The Spartan cross country team turned in its best record ever this year with 9 wins and 5 losses. Under the fine guidance of Coach Connolly, the team has never been under the .500 mark since the sport started at Queensbury and a championship looks likely in the next few years.

One of the high points of the season was a meet held at South High where the Spartans were victorious over five schools, including undefeated Glens Falls.

At the Hudson Falls invitational meet, the varsity took third place out of 14 schools and the J.V. team, 2nd place out of 10 schools.

The top runner on the team was Steve Mainville who finished first for Queensbury in every meet and who was awarded the M.V.P. award for cross country at the fall sports banquet.

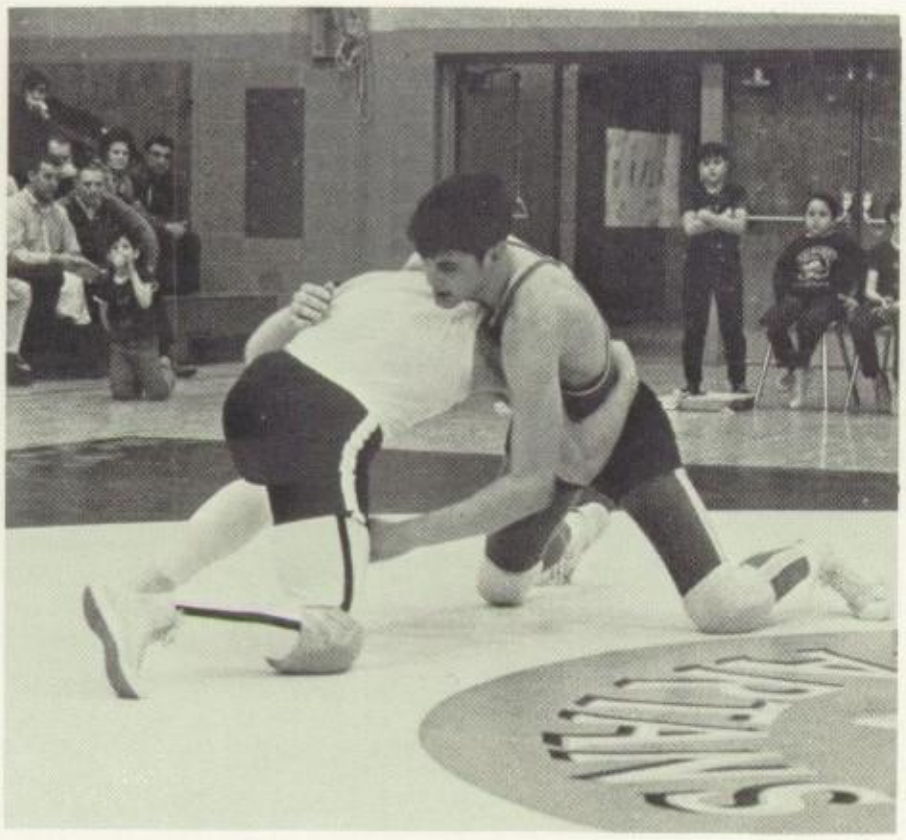
ITH BEST RECORD EVER



Mike keeps alert on his feet

Gay works for the pin.

The Spartan grapplers of Coach Jack LaBombard managed a second place spot in a tough Northern Conference. Losing only to Glens Falls and Hudson Falls the team compiled a 11-2 overall record and were the first wrestling team to beat South High, which had not been beaten in ten years.

During the second annual Holiday Wrestling Tournament, held at Queensbury, the team placed third with 53 points. Queensbury had one first place winner - Gay VanGuilder, two second place winners - Mike Eggleston and Geoff Nestle, and four third place winners - Randy Brown, Dave Baird, Leon Morin, and Ray Palmer.

In the Northern Conference meet held at Corinth, February 22, the Spartans had two first place winners - Mike Eggleston, and Ray Palmer. Gaylord VanGuilder took a second place while we had three third place winners - Geoff Nestle, Dave Baird, and Leon Morin.

At the Section II meet held at A.C.C., Gay VanGuilder took first place while Mike Eggleston came in second. As the yearbook went to press, VanGuilder, first Section II Champion for Queensbury, prepared to enter the State Championships at Rochester.

Leon looks for an arm drag.

The J.V. wrestling team, under the direction of Coach Bill Smith, had a very good season. Although the little Spartans did not wrestle as many matches as the varsity, they managed a 5-3 record. The little Spartans forfeited 10 or 15 points every match, and their few losses were within two or three points. They defeated Schuylerville 18-9, Saratoga 26-22, South High 22-21, Johnstown 31-7, and Hudson Falls 25-13. The little Spartans lost to Glens Falls 16-31, Shenendehowa 23-26, and Hudson Falls 22-24.

The first annual Northern Conference J.V. Wrestling Tournament held at Hudson Falls was very successful. The team placed second with 59 points. The little Spartans had two first place winners - Pat McGuire at 98 and Randy Brown at 115. There were two second place winners - Larry Lefebvre (103), Dave Dolan (136), and five third place winners - Jim Grey (103), Dave Jabaut (123), Brian Wilson (130), Ellard Roush (148), and Tim Burch (167).

SPARTANS HAVE

The Queensbury Spartans, under the direction of Mr. Cassella, suffered a very disappointing season. The Spartans went 2-5 in non-league action and 0-10 in the league.

After pre-season predictions were announced, it seemed that the small but scrappy Spartans could pull an upset and go all the way. However, Spartan hopes dimmed when in the first game they were defeated in a heart breaker by Granville and then suffered a decisive loss to Hoosick Falls. In their next outing the Spartans showed a strong offensive attack and beat Ticonderoga by more than 20 points. Then a loss to Whitehall and a win over Corinth followed.

Some of the better games were with St. Mary's, South High, Glens Falls, Fort Edwards, and Saratoga. The Spartans lost the Saratoga and Glens Falls games in the final minutes after leading throughout. Probably the most exciting game was with Fort Edward when the Spartans were down by a 23 point deficit going into the fourth quarter and came back to within one point with ten seconds remaining.

Although the season was not successful from the standpoint of wins, the boys gained experience and should have a better year next year.

Teamwork really pays.

J.V. COMPILES 9-8 RECORD

The Young Spartans of Coach John Dennett, composed of twelve sophomores and two freshmen, compiled a creditable 9-8 record in a season marked by high points.

Co-captains Mike Williams and Ron Greene led the team to many early season victories and then the club ran into the buzz-saw of co-champs Hudson Falls and St. Mary's. Although they stayed close in all four of these games, the losses equaled one half of the season's defeats.

The big win of the season was over Glens Falls to revenge an early season defeat. The boys played defense perfectly that night, and the win gave the young Spartans a Northern Conference "A" Division record of 4-6.

KNOW WHAT HAPPENS WHEN YOU GO TO A SMALL COLLEGE?

THE TEACHERS KNOW WHO YOU ARE.

If you're interested in a small college with a great faculty that is interested in helping you get the meaningful and rewarding college education you seek, why not investigate The College of Saint Rose, a liberal arts college for women.

Small classes will let your teachers get to know you, and you'll get to know them, in the classroom and after class, at lunch, or over coffee. You'll have more opportunity for independent research and study. You'll learn more because you'll be challenged more . . . because the accent will be on you.

For information about programs of study and admission requirements, write to the Director of Admissions.

HAPPENING 68-69

Here's a medley of memories from 68–69 that we hope you will enjoy now and ten years from now. As you think of your senior year, will you recall . . .

Rowan and Martin's Laugh-In SOCKED IT TO 'EM, and changed the course of T.V. comedy

Richard M. Nixon attained the presidency with a promise of "forward together"

A trip to the moon, impossible . . . not for the Apollo 8 astronauts Anders, Lovell, and Borman

Viet Nam bombing stopped and the Paris peace talks began

Commander Bucher and the Pueblo crew came home

Joe Namath and his Jets stunned the football world, beating Baltimore in the Super Bowl

Bonnie and Clyde, The Graduate, Cool Hand Luke, and Guess Who's Coming To Dinner made the screen scene

Valley of the Dolls, Rosemary's Baby, The Prophet, and No Exit were the "in" books

The Vanilla Fudge ● *Jimi Hendrix* ● *The 1910 Fruit Gum Co.*
Diana Ross ● *Ravi Shankar* ● *Judy Collins* ● *Up With People*

Hurdy Gurdy Man ● *Hey Jude* ● *Those Were The Days* ● *Touch Me*
The Worst That Can Happen ● *Wichita Lineman*

Miniskirts ● *long hair* ● *square-toed, wide heel shoes* ● *boots*
leather clothes ● *turtle-necks* ● *bell bottoms* ● *elephant pants*

The Yippie Party ● *Soul music* ● *beads* ● *bells* ● *light shows*
McCarthy buttons ● *granny glasses* ● *psychedellic art . . .*

These are some mementos of your youth.

Glens Falls Insurance Company extends these reminiscences to the class of '69. We recognize that young achievement plays a big role in our own development. Why not stop in and talk to us about your future?

This Orbit is finished, and the year draws to a close. Ahead lies graduation, summer vacation, and for many the plans and preparation for higher learning and a college education. As the halls grow dim and classrooms quiet, we hope this book will bring back the memories of this year and hold the living school forever in our minds.

We pause now to reflect on our last year of high school ... the spirit of September ... the school picnic ... football every weekend ... pep rallies ... report cards!! ... winter sports that started with a bang ... the Christmas play ... wrestlers off and running ... occasional setbacks ... college applications ... yearbook deadlines ... prom decisions ... bake sales ... skiing ... end of basketball season ... spring dances ... Q D Cues annual spring play ... the Spring Concert ... the Junior Prom ... review books ... finals and Regents ... Class Day ... Graduation ...

Thanks to all our teachers, especially our class advisers ... this year's patience award to "kindly" Mrs. White ... running a close second, Mr. Durling ... and of course, a very special thanks to our parents, who have seen us through years of trials and tribulation and share our pride in our accomplishments.
